

# Fold your own **HOP FROG**

1. Start with a rectangular sheet of paper.

2. Fold right corner to meet left side.

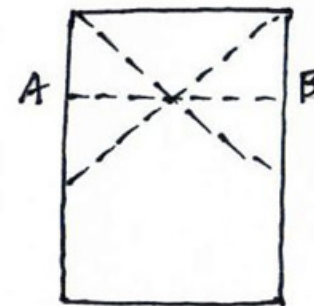

3. Now open it up and fold opposite side the same way.

4. Open it up and fold the top down like this.

5. Open it up. The folds will look like this.

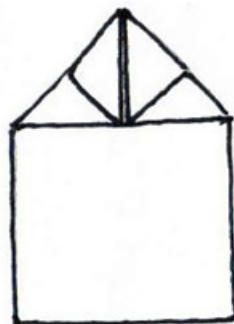

6. Push A and B into the center and fold the top down.

7. Fold this flap up to meet the center point.

8. Fold the other flap up. These will be the front legs.

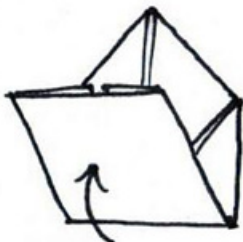

9. Fold left side to meet center line.

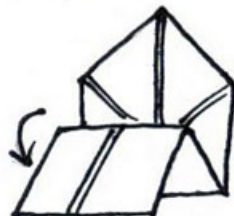

10. Fold the other side over the same way.

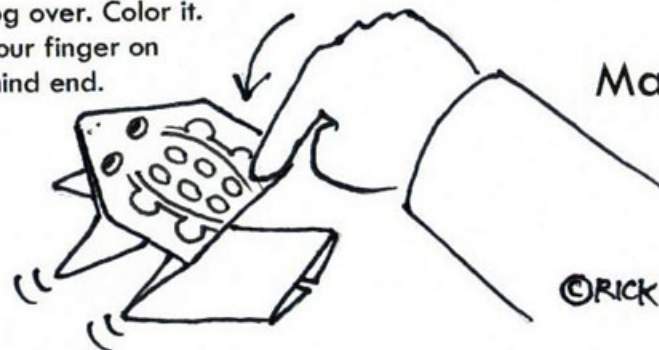

11. Fold the bottom flap up.

12. Fold the bottom flap in half, this will be the hind legs.

13. Turn the frog over. Color it. Then tap your finger on the frog's hind end.

**Make him hop!**
